

NEII

NATIONAL ELEVATOR INDUSTRY, INC.

NEII.ORG

Thank you for your interest in NEII and the elevator and escalator industry.

Since 1914, NEII has been the premier association representing the global leaders in the building transportation industry through advocacy and code development. Its members install, maintain, and/or manufacturer elevators, escalators, and other related products.

NEII's membership is comprised of the six major international companies - Otis Elevator Company, Schindler Elevator Corporation, KONE, Inc., Fujitec America, Inc., ThyssenKrupp Elevator Americas and Mitsubishi Electric US, Inc. and several North American-based companies. NEII's members represent 85% of the total hours worked within the elevator and escalator industry, employ more than 25,000 people in the U.S. and indirectly support hundreds of thousands of American jobs in affiliate industries.

NEII advances safety and innovation in the building transportation industry and works with various organizations on the development, adoption and enforcement of safety codes and standards.
